Morrell Sanctuary

**Free
\$0**

Located in South Nanaimo near VIU and Colliery Dams Park, Morrell is a lush, forested park with a lot of life. There is a small lake where you can feed the birds or bring a picnic and enjoy the shelter by the lake. Also in the park a beaver pond with wooden viewing platforms and a beautiful rocky viewpoint above the forest of Douglas firs.

The parkland was donated by William Morrell in 1973, intended for public use and conservation. Last logged in the 1920's, the Sanctuary is a fine example of a preserved 2nd growth forest.

Morrel Sanctuary is located 4km West of Nanaimo, at the end of Harewood Rd (or Nanaimo Lakes Rd).
